Dear Art,

The attached quotation superseder cost estimates
T-14309 dated 15 May and 5 June and quote T-14309A

1 23 June.

STATINTL

T-14309 proposes to continue the

Operation and T-14309 A is for a Modification of

teasifility Hardware. The proposed period of performance
for T-14309 is 12 months beginning I July 1964
and for T-1430 9 A is 18 weeks beginning 7 July 1964.

If it is convenient for you we would like these
two items treated as separate amendments.

Please call me if you have any questions regarding this quotation.

Sincerey Sill.
